# Stoughton Veterans' Services

February 3 at 5:11 PM ·

This past Thursday, Stoughton Selectboard Chairperson Debra Roberts, our Town Manager Thomas Calter, and Veteran Service Officer Sean Butrica

had the honor of presenting

Walter Randolph with a

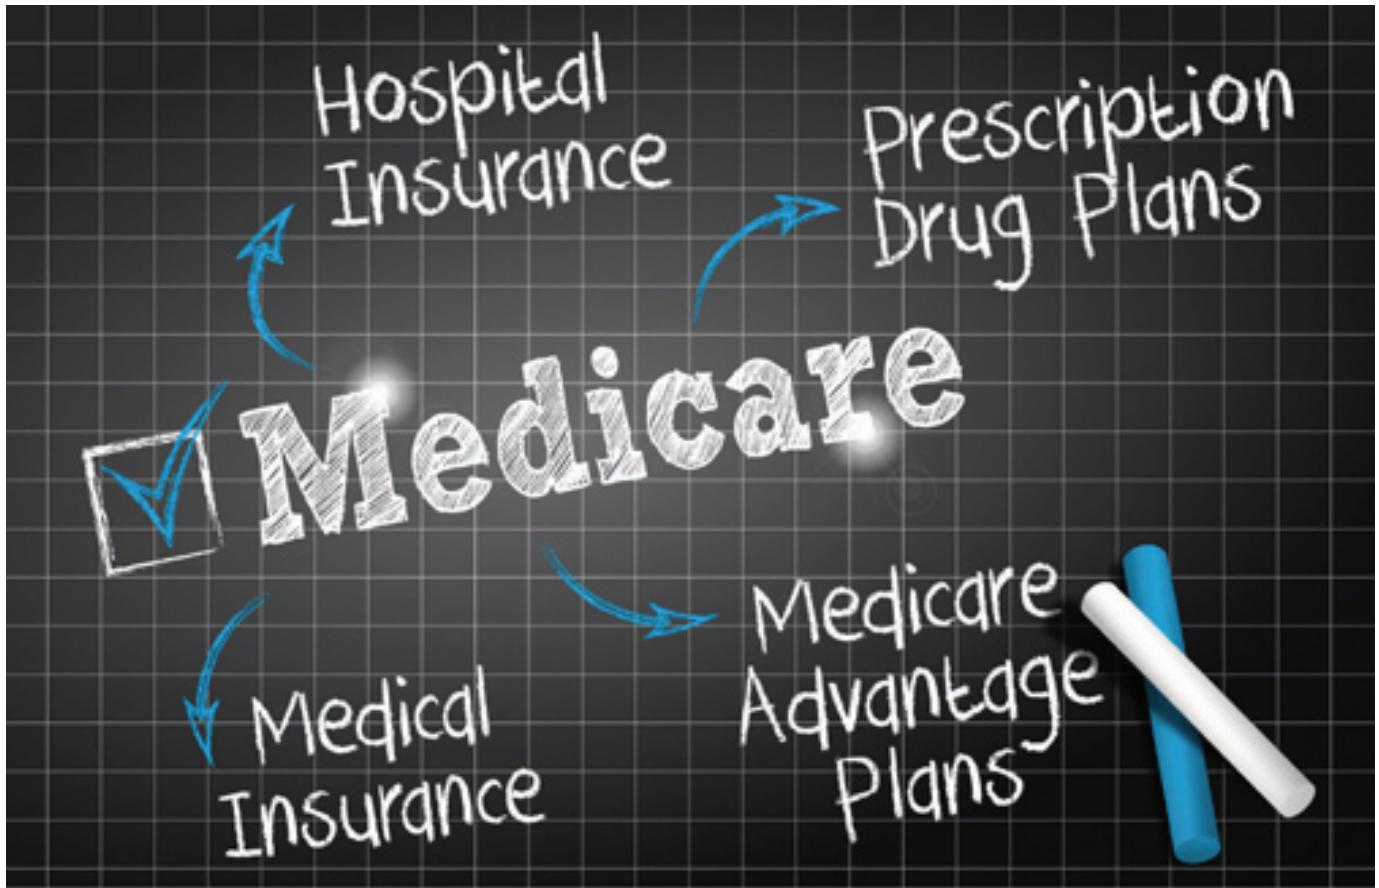

Shovel Town Flag Company flag.

Walter is an excellent example of someone who really cares about veterans and shows this with his many actions in direct support of them.

We want to send a massive thank you to the

Shovel Town Flag Company

for donating this incredible Flag and making this possible.

# Planning For Medicare- Presentation for those approaching Medicare Eligibility Thursday, February 9, 5:30 P.M.

Join us for a presentation and discussion led by a Blue Cross Blue Shield of Massachusetts representative that is geared towards individuals approaching Medicare Eligibility. Topics to be covered will include health insurance information outside of employer-sponsored coverage, such as explanation of Medicare, the Medicare enrollment timeline, Medigap and Medicare Advantage plans and programs available to early retirees, and COBRA. This is a great presentation if you are still working but thinking about the future and your healthcare.

The Town of Stoughton is preparing to launch a new and improved municipal website during the month of February. Users will see not only a familiar, but improved website after going through a redesign and upgrade process with CivicPlus (a leading government website provider).

*Some new features we feel you will be excited about are:*

- Service-based navigation with an emphasis on service delivery and ease of use (along with a new clean design that is both visually appealing and functional)
- Calendar functionality which allows citizens to stay informed about the scheduling of important local events, including public meetings, classes, activities, community events, and other valuable opportunities for engagement
- Embedded Social Media (Facebook) – located on our front page for those who do not have Facebook accounts
- Online Job Application functionality
- Dedicated landing pages for Police, Fire, DPW, Library and Recreation
- An online “Report a Problem” form that allows users to report service requests, such as a pothole, streetlight outage, sewer issue, and more...
- Alert Center – this functionality allows us to alert citizens with time sensitive information and instructions using multiple channels, including the website homepage, social media and email
- Enhanced search functionality site-wide that allows staff to review what users are searching for and revise the site structure to continually improve the user experience
- News and page subscription options for residents to stay informed of all municipal updates
- Document Center – This will serve as a single, conveniently accessible repository for all forms, documents, and files citizens routinely require so they can self-service many of their municipal requests (without the need to walk into an office or place a phone call)
- The Agenda Center allows for the storing, sharing, and searching of public meetings and agendas and enables citizens to remain informed and engaged in public policy and local issues

# Welcome to the Town Manager's Office!

On December 12, 2022 I was honored to begin my career in Stoughton. After enjoying a successful career in business, as a State Legislator and as a Town Administrator, I've taken on this challenge with eyes wide open. From a career of professional experiences, successes and mistakes, I join the Town well prepared to meet the challenges, and leverage the opportunities before us. It's hard to believe that almost 3 months have already passed. I apologize for not reaching out sooner. I want you to know that I am true and committed to several core values.

First, you can always expect transactional honesty from me. I will respectfully say what I mean and mean what I say. Second, I am committed to openness and full transparency. Secrets, hidden agendas and old grievances will not play any part in my decision making process nor, will they eat up the valuable time needed to do this job properly. Third, you can always expect me to use prudent fiscal judgement. We have real financial challenges and clear solutions which will require your understanding and support. I am not promising a "Rose Garden". I am promising however, that within three years, the Town of Stoughton will stand on a strong financial footing.

We have some challenges that are among my top priorities. As Stoughton looks forward to its 300th Anniversary, it's important to understand that our infrastructure is old and has been neglected for decades. We seldom appreciate the value of clean running water and efficient waste management until those services are interrupted or lost. We all share 112 miles of Stoughton roads. Only 24.1 miles require minimal or no maintenance. As we develop a long-term infrastructure plan, we need to coordinate the replacement of 100 year old water and waste water distribution lines with the pavement of those roads. We need to replace water meters that are not properly recording water consumption. This may appear to be getting into the weeds. However, the condition of our water and sewer lines, town buildings, and town roads is beneath the standard you deserve. Meeting those challenges is among my top priorities. Meeting you and hearing your views will be among my greatest joys!

In closing, I want you to know that openness, transparency and constituent service are among my core values. Those values served me well as a business executive, business owner, legislator and municipal leader. Your confidence in Stoughton town government is needed in order for us to move our common agenda forward. I ask that you stay in touch, stay involved, share your thoughts and make your voice heard.

Respectfully,

Thomas J. Calter
