

**1. I move we reconsider Article 6 - Deposit to Stabilization Fund**

**(The purpose of reconsidering Article 6 is to add the \$75,000 from free cash that was not used when Article 58 - Landscape Improvements at the Lucious Clapp Property failed.)**

**2. (Assuming TM agrees to reconsider Article 6)**

**I move to add \$75,000 from free cash to the Stabilization Fund.**

**(This is in addition to the \$320,452.24 TM voted to deposit on May 8th.)**
