

FY24 MID-YEAR REPORT DEVELOPMENT SERVICES

DEVELOPMENT SERVICES MISSION STATEMENT

The Mission of Development Services is to build and maintain a strong and effective group of departments that remain focused on providing superior customer service to the Town of Stoughton, its residents, the general public, the development community, and all Town departments while maintaining a positive relationship in all our interactions as well as a professional work environment. Our group will partner with the development community to encourage and ensure a development process that is proficient, reasonable and predictable while promoting the economic growth, safety, usability and sustainability of our Town.
