Description: Sewer Capital - Inflow and Infiltration

**PROPOSED ALTERNATE MOTION:** That the Town vote to appropriate \$768,249.00 to continue improving the sewer system and reduce infiltration and inflow of ground water and water from other sources, including but not limited to investigation of sources of water loading from rain leaders, or sump pumps but not limited to, as applicable, professional engineering/architectural services, design, site preparation and demolition, installation, and all other incidental and related costs, and that to meet this appropriation \$400,000.00 be transferred from Sewer Enterprise Fund retained earnings and \$368,249.00 appropriated from available funds in the Treasury.

Note:

Current Article 24 - Sewer Capital - Inflow and Infiltration: \$400,000.00

- Add \$368,249.00 from unallocated funds
- Proposed Total for Inflow and Infiltration Article: \$768,249.00
