A Message from the Town Manager on Halloran Park

Dear Mr. Connors,

I am writing to you today in response to those who have weighed in on the fence removal at Halloran Park.

First off, I would like to thank you for your valuable input. I have received input from residents on both sides of this issue. Some appreciate the open space made available by the removal of the fence, while others have raised safety concerns, particularly around the playground portion of the park.

On Wednesday, October 30th I visited the park and spoke with several residents. Again, people had opinions on both sides of this issue. I want you to know that we hear you. Accordingly, I have instructed our DPW Superintendent to install a fence between the playground portion of the park and the parking lot within the next 30 days. I believe that this action serves the needs of those who have raised legitimate safety concerns and those who seek additional unfenced open space.

I thank you for bringing this issue to my attention. As always, we remain open to your feedback.

Sincerely,

A handwritten signature in black ink that reads "Thomas J. Calter".

Thomas J. Calter,
Town Manager
