# Understand how your plan works

# About your plan

## Aetna Medicare<sup>SM</sup> Plan (PPO)

The Aetna Medicare Advantage PPO ESA plan is a preferred provider organization plan. It's different than many other PPO plans. You'll have the flexibility and confidence to see any licensed provider, in or out of network. And you'll pay the same out-of-pocket costs for both in-network and out-of-network covered benefits. The provider just has to be:

- Licensed and eligible to receive payment under Medicare
- Willing to bill and accept payment from Aetna<sup>®</sup>

Does your provider accept our plan? They most likely will. That's because more than **1.1 million network doctors and specialists** and over **4,200 network hospitals** accept the Aetna Medicare plan.

With this plan, you'll have the option to choose a primary care physician (PCP). It's not required, but when we know who your provider is, we can better support your care.

**To find out if your doctor accepts the plan, just call us.**

We're available at **1-800-307-4830. (TTY:711).**

8 a.m. to 9 p.m. EST, Monday through Friday.

We'll contact your provider to confirm. We can also help you find other nearby doctors and hospitals who accept the plan.

The provider network may change at any time. You will receive notice when necessary.

In case of emergency, you should call 911 or the local emergency hotline. Or you should go directly to an emergency care facility.

The complete list of services can be found in the Evidence of Coverage (EOC). You can request a copy of the EOC by contacting Member Services at 1-888-267-2637 (TTY: 711). Hours are 8 a.m. to 9 p.m. EST, Monday through Friday.

The following is a partial list of what isn't covered or limits to coverage under this plan:

- Services that are not medically necessary unless the service is covered by Original Medicare or otherwise noted in your Evidence of Coverage
- Plastic or cosmetic surgery unless it is covered by Original Medicare
- Custodial care
- Experimental procedures or treatments that Original Medicare doesn't cover
- Outpatient prescription drugs unless covered under Original Medicare Part B

You may pay more for out-of-network services. Prior approval from Aetna is required for some network services. For services from a non-network provider, prior approval from Aetna is recommended. Providers must be licensed and eligible to receive payment under the federal Medicare program and willing to accept the plan.

Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Aetna will pay any non contracted provider (that is eligible for Medicare payment and is willing to accept the Aetna Medicare Plan) the same as they would receive under Original Medicare for Medicare covered services under the plan.

#### **Pharmacy Disclaimers**

Aetna's retiree pharmacy coverage is an enhanced Part D Employer Group Waiver Plan that is offered as a single integrated product. The enhanced Part D plan consists of two components: basic Medicare Part D benefits and supplemental benefits. Basic Medicare Part D benefits are offered by Aetna based on our contract with CMS. We receive monthly payments from CMS to pay for basic Part D benefits. Supplemental benefits are non-Medicare benefits that provide enhanced coverage beyond basic Part D. Supplemental benefits are paid for by plan sponsors or members and may include benefits for non-Part D drugs. Aetna reports claim information to CMS according to the source of applicable payment (Medicare Part D, plan sponsor or member).

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

You must use network pharmacies to receive plan benefits except in limited, non-routine circumstances as defined in the EOC. In these situations, you are limited to a 30 day supply.

Pharmacy clinical programs such as precertification, step therapy and quantity limits may apply to your prescription drug coverage.

Specialty pharmacies fill high-cost specialty drugs that require special handling. Although specialty pharmacies may deliver covered medicines through the mail, they are not considered "mail-order pharmacies." Therefore, most specialty drugs are not available at the mail-order cost share.

The typical number of business days after the mail order pharmacy receives an order to receive your shipment is up to 10 days. Enrollees have the option to sign up for automated mail order delivery. There are three general rules about drugs that Medicare drug plans will not cover under Part D. This plan cannot:

- Cover a drug that would be covered under Medicare Part A or Part B.
- Cover a drug purchased outside the United States and its territories.
- Generally cover drugs prescribed for “off label” use, (any use of the drug other than indicated on a drug's label as approved by the Food and Drug Administration) unless supported by criteria included in certain reference books like the American Hospital Formulary Service Drug Information, the DRUGDEX Information System and the USPDI or its successor.

Additionally, by law, the following categories of drugs are not normally covered by a Medicare prescription drug plan unless we offer enhanced drug coverage for which additional premium may be charged. These drugs are not considered Part D drugs and may be referred to as “exclusions” or “non-Part D drugs”. These drugs include:

- Drugs used for the treatment of weight loss, weight gain or anorexia
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Outpatient drugs that the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale
- Drugs used to promote fertility
- Drugs used to relieve the symptoms of cough and colds
- Non-prescription drugs, also called over-the-counter (OTC) drugs
- Drugs when used for the treatment of sexual or erectile dysfunction

## Learn more about our Medicare plans

Check Medicare's  
Star Ratings to give you  
more info about the plans  
we offer.

*See our plan's Star Ratings.*

# Here's how Star Ratings work

The Centers for Medicare & Medicaid Services (CMS) uses information from member satisfaction surveys, plans and health care providers to rate Medicare plans and prescription drug plans (Part D).

## Medicare plan ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

Each plan receives a rating from one star (lowest) to five stars (highest). Star Ratings are calculated each year and may change from one year to the next.

## How to find your plan's Star Rating

- Find the state you live in within the chart on the following page.
- Note the contract number next to the name of your state.
- Flip to the page in this section with the same contract number in the upper-left corner.
- Review the overall rating for your plan.

Turn the page to see how highly our plans rate. >

If you have an Aetna® Medicare plan **without** drug coverage, review just the health plan rating. You can ignore the plan's drug rating.

## Avoid late enrollment fees

It's important to sign up for Medicare coverage during your **Initial Enrollment Period**. Your Initial Enrollment Period lasts for 7 months, starting 3 months before you turn 65, and ending 3 months after the month you turn 65. If you don't sign up during this period, the federal government may charge you an extra amount (late enrollment penalty).

These penalties aren't just a one-time late fee and are added to your monthly premium. So keep in mind you'll be charged for as long as you have coverage. And it will go up the longer you wait to enroll.

For details about how to avoid late fees, be sure to visit:

medicare-costs/avoid-penalties](https://www.medicare.gov/basics/costs/medicare-costs/avoid-penalties)**

**By completing this enrollment application, I agree to the following:** Aetna Medicare is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can only be in one Medicare plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year if an enrollment period is available or (Example: Annual Enrollment Period from October 15 – December 7), or under certain special circumstances.

The Aetna Medicare plan serves a specific service area. If I move out of the area that Aetna Medicare plan serves, I need to notify the plan and my former employer/union/trust so I can disenroll and find a new plan in my new area. Once I'm a member of the Aetna Medicare plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Aetna when I get it to know which rules I must follow to get coverage with this Medicare plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

**HMO plans:** I understand that beginning on the date Aetna Medicare plan coverage begins, I must get all my health care from the Aetna Medicare Advantage plan, except for emergency or urgently needed services or out of area dialysis services. Services authorized by the Aetna Medicare plan and other services contained in my Aetna Medicare plan Evidence of Coverage document (also known as the member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR THE AETNA MEDICARE PLAN WILL PAY FOR THE SERVICES.**

**PPO plans:** I understand that beginning on the date Aetna Medicare Advantage plan coverage begins, using services in network can cost less than using services out of network, except for emergency or urgently needed services or out-of-area dialysis services. I understand I can go to doctors, specialists or hospitals in or out of network. I understand that providers must be licensed and eligible to receive payment under the federal Medicare program and agree to accept the PPO plan. I also understand I may have to pay more for services I receive out of network. Services authorized by the Aetna Medicare Advantage plan and other services contained in my Aetna Medicare plan Evidence of Coverage document (also known as the member contract or subscriber agreement) will be covered. Without authorization when required by the plan, **NEITHER MEDICARE NOR THE AETNA MEDICARE PLAN WILL PAY FOR THE SERVICES.**

I understand if I'm getting assistance from a sales agent, broker, or other individual employed by or contracted with Aetna's Medicare Advantage plans, he/she may be paid based on my enrollment in the Aetna Medicare Advantage plan.

**Please read this section carefully and sign below**

**Release of Information:** By joining this Medicare Advantage plan, I acknowledge that the Aetna Medicare health plan will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that Aetna Medicare will release my information, including my prescription drug event data to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the state where I live) on this application means I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that: 1) this person is authorized under State law to complete this enrollment and 2) documentation of this authority is available upon request from Medicare.

Aetna Medicare is a HMO, PPO plan with a Medicare contract. Enrollment in our plans depends on contract renewal. Plan features and availability may vary by service area.

**By completing this enrollment application, I agree to the following:** Aetna Medicare is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can only be in one Medicare plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year if an enrollment period is available or (Example: Annual Enrollment Period from October 15 – December 7), or under certain special circumstances.

The Aetna Medicare plan serves a specific service area. If I move out of the area that Aetna Medicare plan serves, I need to notify the plan and my former employer/union/trust so I can disenroll and find a new plan in my new area. Once I'm a member of the Aetna Medicare plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Aetna when I get it to know which rules I must follow to get coverage with this Medicare plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

**HMO plans:** I understand that beginning on the date Aetna Medicare plan coverage begins, I must get all my health care from the Aetna Medicare Advantage plan, except for emergency or urgently needed services or out of area dialysis services. Services authorized by the Aetna Medicare plan and other services contained in my Aetna Medicare plan Evidence of Coverage document (also known as the member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR THE AETNA MEDICARE PLAN WILL PAY FOR THE SERVICES.**

**PPO plans:** I understand that beginning on the date Aetna Medicare Advantage plan coverage begins, using services in network can cost less than using services out of network, except for emergency or urgently needed services or out-of-area dialysis services. I understand I can go to doctors, specialists or hospitals in or out of network. I understand that providers must be licensed and eligible to receive payment under the federal Medicare program and agree to accept the PPO plan. I also understand I may have to pay more for services I receive out of network. Services authorized by the Aetna Medicare Advantage plan and other services contained in my Aetna Medicare plan Evidence of Coverage document (also known as the member contract or subscriber agreement) will be covered. Without authorization when required by the plan, **NEITHER MEDICARE NOR THE AETNA MEDICARE PLAN WILL PAY FOR THE SERVICES.**

I understand if I'm getting assistance from a sales agent, broker, or other individual employed by or contracted with Aetna's Medicare Advantage plans, he/she may be paid based on my enrollment in the Aetna Medicare Advantage plan.

**Please read this section carefully and sign below**

**Release of Information:** By joining this Medicare Advantage plan, I acknowledge that the Aetna Medicare health plan will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that Aetna Medicare will release my information, including my prescription drug event data to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the state where I live) on this application means I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that: 1) this person is authorized under State law to complete this enrollment and 2) documentation of this authority is available upon request from Medicare.

Aetna Medicare is a HMO, PPO plan with a Medicare contract. Enrollment in our plans depends on contract renewal. Plan features and availability may vary by service area.
