

HALLOWEEN RECYCLE REUSE TIPS

Leftover candy- instead of throwing it in the trash, donate to a shelter or a food bank.

Halloween Costumes- donate to a thrift store or find a costume swap.

If it is not in reusable condition, use the textile bins around town.

Clothing should NOT go into the trash.

Pumpkins- pumpkins should be composted instead of trashed. If you do not have a home compost, join us at our First Annual Pumpkin Smash on 11/8.

DPW will have a collection bin for string lights at 950 Central St from now through January.
