ARTICLE FS10  Amend Chapter 47 Section 4 Paragraph A of Town Bylaws

“All departmental capital outlay purchases in excess of the greater of ½ of 1% of the department’s annual operating budget or $10,000 must be approved by a vote of Town Meeting before such purchases can be made or authorized. “Capital outlay” is defined as those items for which borrowing would be authorized under MGL c. 44, §§ 7 and 8.”
Current language:

All department capital outlay purchases in excess of $10,000 or the threshold for soliciting quotes or responses or for bidding as mandated by Massachusetts General Laws, Chapter 30, Section 39M, Public Works: Chapter 30B, Uniform Procurement Act for Goods and Services; and Chapter 149, Building Construction Projects, must be approved by a vote of Town Meeting before such purchases can be authorized. “Capital Outlay” is defined as those items for which borrowing would be authorized under M.G.L. Chapter 44, sections 7 and 8.

Comment:

All departments are currently capped at $10,000 for spending for capital items from their operating budgets. This has caused difficulty for the larger departments. This amendment would restore the upper limit of ½ of one percent of the department’s operating budget, which had been in effect from 2004 through 2014. Paragraph B, which allows for Finance Committee emergency authorization in excess of these limits, would not change.
